February meeting Recap

The February meeting guests from the Whitmarsh precinct shared great information about the declining crime numbers in our general vicinity. They gave an update on the police involved shooting that occurred in late January on Hazelwood Ave. We also heard from Code Enforcement on their priorities and how to get nuisance issues resolved. We had a special guest from Baltimore County DPW-Traffic that answered questions about parking signs, speed cameras, and gave contact information for the highways department for follow-up. A list with resources for snow shoveling contacts in our area was also made available at the meeting.

New Advertisers Spotlight

We are happy to add a new advertiser located at 1771 Chesaco Ave co-located with the gas station near Rosedale Plaza. Offering a range of tire services with great customer service. See Dexter's contact on pg.2

Rosedale RAC Update

We received follow-up responses from Mansoor Shams to some of our community meeting questions. Here are a few Q&As for your information:

- Q1. What happened to the computer learning room that was promised?
A. The computer room is available for public use before the start of the after school program each day
- Q2. Will there be any free use of rooms available?
A. If you stop by and a room is not reserved or in use, you are welcome to use it.
- Q3. Why can't the community use the building in the afternoon after the kids leave?
A. Any gathering of 10 or more requires a permit, but casual use like sitting in the lobby or playing ping pong with a friend is allowed without a permit
