What's New this Month!

Hello All,

I know we are all still disappointed by the departure of Grocery Outlet. So far, we are in touch with Michael Ertel from Baltimore County and the management of Rosedale Plaza to indicate our support for a new grocery store as soon as possible. We are working with the other community leaders to stay informed. We would also like your input on our next steps. We will have Katherine Yi the District 6 Community Outreach Coordinator as our guest speaker. Come out, get informed and meet some new neighbors!

Agenda:

1. County Executive news
2. Grocery replacement update
3. Upcoming HPECA Activities
4. Open Forum

Survey Opportunity

We would like to hear from you at our meeting on the following:

1. How are you interested in supporting your community?
2. How often do you want to participate in events?
3. Would you like to see the community yard sale return?
4. Would you like to see a farmers market in our area?

HPECA past and present accomplishments:

We want to express our gratitude to all who have supported the Association in the past. Our efforts help to keep our community safe and welcoming to all residents by performing the following:

1. Changing zoning laws and interacting with developers of new McCormick Place and other proposed developments
2. Hosting monthly meetings with guest speakers including local politicians, enforcement, businesses, community liaisons, and county agency representatives
3. Focusing on infrastructure improvements in our community for safety, lighting, and ADA ramps
4. Coordinating with other community leaders to get another grocery store for Rosedale Plaza
5. Hosting National Night Out for our community
6. Planning our annual Dumpster Day and our community sweep with Code Enforcement
7. Sharing information and partnering with the Rosedale RAC for their programming and activities
8. Publishing and distributing the monthly newsletter with information about the community, HPECA activities, advertising for neighbors and local business.

Rosedale RAC News

The Department of Parks and Recreation are hosting listening sessions beginning in April aimed at identifying specific community needs and prioritize where county funds should be directed over the next five years. Rosedale RAC is scheduled to host a session on May 6th from 6pm to 7pm. Residents who are unable to attend the in-person meetings can still participate in the planning process. Additionally, comments and suggestions can be sent via email to lprrp@baltimorecountymd.gov
